For review:	Board of Trustees

Foreword

Our Trust mission: 'love, learn, laugh', underpins our key aim to improve our pupils' lives and outcomes through outstanding educational practice and provision, while also setting challenging and aspirational goals designed to empower our pupils and enhance their life choices. The Trust currently runs three schools. Manor, a SLD specialist SEN primary school (Reception to Y6), The Avenue, an Autism/Complex Needs specialist SEN school for 5-18 year olds (Reception to Y13) and Wembley Manor, an Autism specialist SEN secondary school (Y7 to Y13).

This document is Part Three of a three part document. The Parts are divided as follows:

Part 1 - Governance Overview: Overview of Governance Structure, key articles, responsibilities and our approach to delegation.

Part 2 - Governance Structure and Procedure: Terms of Reference, communications between governance entities, meeting schedules and agendas, procedures and principles of governance.

Part 3 - Governance Decision Making Grids: Summary of decision making and responsibility matrix, financial delegation and policy overview.

These documents when taken together provide the basis for meeting our duties and responsibilities, as determined by:

- The Companies Act 2006
- Academy Trust Handbook 2024
- Governance Guide for Academies 2025
- Keeping Children Safe in Education 2025
- The Charities Governance Code

Additional support and guidance for the Trust is maintained through membership of Brent Chairs and Vice Chairs Programme, Brent School Partnership (BSP), The Key, the National Governance Association (NGA), the Confederation of Schools Trust (CST), and through the use of the Institute of Company Secretaries and Administrators (ICSA) twin publications Academy Governance Handbook (2019), and Academy Governance Checklists. In developing our governance structure and activities, the Trust also ensures compliance with the DfE audit and checklists such as The Academy Trust Checklist 2025 and Academy Trust Financial Calendars 2025.

Appendix 9: Summary of Financial Delegation

Appendix 10: Policy Grid

Part 3: Governance and Decision Making Grids

Appendix 8: Decision and Responsibility Matrix

This Appendix sets out significant decisions and responsibilities. For each thematic section, text introduces the philosophy and ethos of the trust, which sets the context for the subsequent decisions / accountabilities.

The key to the table is:

BoT – Board of Trustees

LAB – Local Academy Board

FAR - Finance and Resources Committee

ARC – Audit, Risk and Compliance Committee

CEO – Chief Executive

AO – Accounting Officer

HT – Headteacher

CFOO – Chief Finance and Operations Officer via the Accounting Officer **EDOS** – Executive Director of Schools

GP – Governance Professional **DOCID** – Director of comms., IT and Data **DOIT** – Director of Inclusion and Therapy

Note: Actions taken by a properly constituted sub group, or delegated to an individual trustee or to Chief Executive, Head teacher, or Chief Finance Officer, are taken on behalf of the Board of Trustees.

Governance

The Board is accountable for all decisions of the Trust, and the performance of all schools within the Trust. The CEO is accountable to the Board for the performance of the Trust and effective use of public funds. Each LAB and Head teacher is responsible for the performance of their school(s).

The Board of Trustees approves the Scheme of Delegation for the Trust, and this details the committee structure along with terms of reference and membership, and outlines who is able to make what decisions (including approving policies). The Scheme of Delegation is reviewed at least annually. The Scheme of Delegation allows for the Trustees to vary the delegation to each LAB or office holder in response to the performance of and risk associated with that school.

Each sub group/committee (such as Board) elects its own chair and determines its detailed working arrangements within the framework set by the Scheme of Delegation. The RPT Board selects the LABs Chair.

Financial management

The Board is accountable for the financial performance of the Trust, including receipt of all income due to the Trust and for the effective and efficient expenditure of public funds. The Accounting Officer is accountable to the Board and DfE for expenditure of public money and the Chief Finance and Operations Officer leads the finance function to ensure that the financial policies and procedures approved by the Board are implemented consistently. The Board will approve assurance work to verify that these controls operate appropriately.

It is expected that the budget setting and budget monitoring processes are a combination of 'bottom up' and 'top down' processes – i.e. the Board would set the approach to central service charge and the delegated funds for each school (which would be expected to be the remainder

of the funds provided for that school via the GAG and other government funding streams), each school would then develop a budget within its delegated funds in conjunction with the CFOO and CEO, and the overall budget for the Trust would then be approved by the Board. Budget monitoring would similarly be undertaken at school and Trust level and reported to CFOO/CEO, LABs and the Board throughout the year, with a focus upon any potential variances and actions required to ensure that expenditure is within approved levels.

The Accounting Officer is accountable to the Board for compliance of the Trust with the Funding Agreements and the Academies Financial Handbook; the CFOO is responsible for ensuring this compliance.

HR / Staffing

For Head teachers, the Articles require that Trustees appoint a Head teacher, but it is expected that the selection panel would include the CEO, LAB Governors and Trustees, and that this selection panel would make a recommendation to the Trustees about whether to appoint and, if so, who. Similarly, Headteacher performance management would involve the CEO with Trustee/LAB Governor involvement, with a salary recommendation to Trustees. Trustees, seeking input from an external advisor, would undertake CEO performance management.

For Leadership and TLR posts, it is expected that any posts that become vacant would be discussed by the Trust SLT to consider the needs of the school and the overall trust. It would be the CEO's decision about whether to recruit for the same or a different post, and to instigate any consequent changes to budgets. Head teachers would make recruitment decisions for other staff within their schools, with an expectation that they would – through Trust SLT – collaborate with other schools to ensure a staffing structure that is as effective, efficient, and resilient as possible; this may include establishing new joint posts across two or more schools.

For other HR decisions, the principle is that Head teacher should generally make decisions where they affect that school only. The CEO where they affect the overall Trust, with LAB Governors and Trustees involved for decisions regarding leadership posts or staff in Head teacher posts makes decisions.

Educational provision and student matters

It is expected that the LAB and Headteacher will determine the educational provision and student matters, with accountability to the CEO, Exec. Director of Schools and Board for progress and performance of students. The LAB will recommend targets to the Board.

------	--	---------------------------	--	--

* All BACS approval must have two signatories. These provisions apply to all accounts, public or private, operated by or on behalf of the Trust. Authorised signatories must not sign a cheque / authorise a payment relating to goods or services for which they have also authorised the expenditure.

** Any person who receives goods and certifies invoices for payment shall be independent of tHTE who negotiated prices and terms and placed the official order

*** There needs to be a separation of duties between processing payroll adjustments and authorising payroll; if the CFOO is to process adjustments then authorisation needs to be by a HT/DH.
